STATEMENT OF NEED

1. The contractor shall provide a technical proposal on providing recycling collection and disposition services as outlined in this Statement of Need and the Technical Proposal Criteria. The contractor shall perform services at the frequency requirements set forth in this Statement of Need. The contractor shall provide all personnel, equipment, tools, supplies, materials and other items necessary to perform all tasks in the best and most workmanlike manner to meet the completeness and quality, by qualified, careful, and efficient personnel skilled in the trade, and in compliance with this statement of need and industry standards.

2. **Vehicles.** Vehicles shall be in operable condition and meet the local, state and Federal safety requirements. Vehicles shall present a neat appearance and have the contractor's name affixed on both sides of the vehicles. Vehicles shall be in like new condition and shall be maintained in good operating condition and in a neat appearance throughout the contract period.

3. **Government Provided Equipment.** The contractor shall maintain government provided equipment and supplies in good operating condition at all times. Government provided equipment shall be available for inspection as requested. The contractor shall ensure recycling collection points and facility are neat, organized, and free from debris at all times. Government provided equipment is listed in Appendix I.

4. **Collection.** The contractor shall collect all materials for recycling at established accumulation points and process the materials at the contractor facility. Recycling items include but are not limited to cardboard, paper, newsprint, magazines, plastics, glass, aluminum, and scrap metal (This metal shall be scrap, not usable items). Containers for scrap metal are located at buildings 1403, 2384 and two at building 1927. Collection in Military Family Housing shall be curbside once weekly. Base Proper locations are identified at Appendix II. Base Proper collection points are curbside and inside buildings from base offices and industrial areas. Recycling is not exclusive to this contractor. Individuals may collect and process recycling materials.

5. The contractor shall be required to collect recycling materials at missed collection points at no additional cost to the Government. The Quality Assurance Personnel shall notify the contractor of such missed collections, and the contractor shall perform services prior to close of business that day if collection point is at curbside or within one duty day if inside from time of notification. The contractor shall notify the Quality Assurance Personnel of any conditions that prevent the collection performance schedule, such as vehicle breakdowns, closed facilities. The contractor shall be required to complete his schedule if notifications of conditions are not immediately reported. The Government will have one hour to ensure collection point is accessible.

6. **Military Family Housing** curbside collection shall be once weekly (Mondays -- Wherry Housing and Fridays Bunker Hill and Capehart) and during the hours of 0800 and 1700 hours. Collection routes and schedules shall be consistent each week. This may be adjusted as needs change and submitted request approved by the contracting officer. Each unit is furnished three "We Recycle" containers (three cubic feet) for aluminum, plastic, glass, newspaper, magazines, bond paper, tin cans, and cardboard.

Military Family Housing consists of three separate locations:

Capehart Housing	500 units
Bunker Hill Housing	200 units
